## INSTRUCTIONS FOR FILING CLAIM FOR PROPERTY TAX EXEMPTION UNDER THE CEMETERY EXEMPTION PROVISIONS

**FILING OF CLAIM** - Claims for the Cemetery Exemption must be signed and filed with the **County Assessor**. An officer or duly authorized representative of the organization owning the property must sign the claim. The Assessor will supply claim forms. Additional Sections A and B or complete sets will be mailed upon request.

**TIME FOR FILING** - To receive the full exemption the claimant must file this claim each year on or before February 15th. Only 90 percent of any tax or penalty or interest thereon may be canceled or refunded when a claim is filed between February 16th of the current year and January 1st of the following calendar year; if the application is filed thereafter, only 85 percent of any tax or penalty or interest thereon may be canceled or refunded. In no case, however, is the tax, penalty, and interest for a given year to exceed \$ 250.00 .

**PREPARATION OF CLAIM** - All claimants must execute the claim and, except where an exemption is being claimed for inactive cemetery property, provide the property information requested in Section A. Only claimants organized for profit need complete Section B. **All questions must be answered.** If you do not answer all the questions, your claim may be denied. Leave no blanks; use "no", "none", or "not applicable" where needed. If the entire property is not qualified, a partial exemption will be granted for any portion which satisfies the requirements.

**LINE 4, FISCAL YEAR** - The fiscal year for which an exemption is sought must be entered correctly. The proper fiscal year follows the lien date (12:01 a.m., January 1st) as of which the taxable or exempt status of the property is determined. For example, a person filing a timely claim in February 2004 would enter "2004-2005" on line four of the claim; a "2003-2004" entry on a claim filed in February 2004 would signify that a late claim was being filed for the preceding fiscal year.

**LINES 5 AND 6** - Check the appropriate box to indicate whether or not the owner is organized or operates for profit. If organized as a non-profit corporation, enter the date(s) of incorporation and any amendments to the articles of incorporation on Line 6. A non-profit organization filing for the first time must attach a certified copy of the Articles of Incorporation or comparable instrument for unincorporated organizations, together with all amendments and revisions thereto. After the first filing, only subsequent amendments or revisions to the Articles or comparable instrument need be submitted with each claim. Approval of your claim for Cemetery Exemption cannot be given if proper documentation is not on file with the Assessor's Office.

**LINE 8** - Check the appropriate box and enter the Assessor's parcel number or legal description when required. If necessary, use an attachment for lengthy legal descriptions. This completes the claim only for organizations claiming a total exemption of an inactive cemetery property, in which no portion is being leased, rented, or held for sale by the claimant. Claims for all other properties must include Section A.

### SECTION A - INFORMATION CONCERNING THE PROPERTY

Except as indicated in the preceding paragraph, Section A is to be completed by both profit and nonprofit cemetery organizations. A separate Section A must be completed and filed for each property for which total or partial exemption is sought. The information furnished must be restricted to the particular property. Give the exact name of the organization, address of the property, and the county of location. The term property as used here means any operating unit consisting of one parcel or several contiguous parcels for which an exemption is sought even though there may be several improvements and separate buildings thereon. All personal property for which an exemption is sought should be listed. If more than one Section A is filed, each Section A should be numbered for convenient reference.

- LINE 1** - List each parcel on which a portion of the operating cemetery is located. Enter the Assessor's parcel number(s) or legal description(s) in Line 1A. Use additional sheets if necessary. Line 1B: Indicate the total area (in acres) of all parcels shown in Line 1A. Line 1C: If the owner has recorded a "Declaration of Intention" or "Declaration of Dedication" of the property for which the exemption is claimed, or if cemetery zoning or a special use permit was granted for the property, check the appropriate box(es) and enter the corresponding date(s) or recorder's reference(s). If dedication and zoning are not required, check the corresponding box and explain.
- LINE 2** - Check the appropriate boxes to identify the owner and operator of the property and the classification of the property for which total or partial exemption is sought. If an organization or individual other than the claimant owns or operates the property, identify the organization or individual in the space provided.
- LINE 3A** - If any portion of the property is rented, leased, or being used or operated by some other person or organization, copies of their leases or agreements must be submitted. If the leases or other agreements have been filed in prior years, it is only necessary to attach copies of subsequent extensions, modifications, and changes.
- LINE 3B** - If the answer is yes, attach a list that includes the name and address of the owner and the quantity and description of the property.
- LINE 4** - Designate the exact acreage for each use. Report one combined figure for all building sites other than mausoleums and columbariums, which must be shown separately. Report appurtenant walkways, gardens, and parking lots separately. Line 4B: Show all other uses of the property not listed in 4A and the acreages devoted to such uses (e.g., 20 acres - orange grove). The total of the acreages reported in Lines 4A and 4B must equal the total acres shown in Line 1B.
- LINE 5** - List all buildings and other improvements on the land, such as mausoleums, columbariums, chapels, corporation yard improvements, irrigation systems, mortuaries, and crematoriums. (Do not include landscaping) List separately any improvements used partially for exempt purposes and partially for taxable purposes. Use additional sheets if necessary. Column 5A: List the principal use of each. Column 5B: List all other uses of specific buildings and improvements. Enter "none" if there is no other use.
- LINE 6** - List all personal property for which an exemption is sought. Group items into broad categories such as cemetery maintenance tools and equipment, grave digging equipment, and office furniture. List separately any personal property used partially for exempt purposes and partially for taxable purposes. Column 6A: Indicate the principal use of the property (e.g., maintaining cemetery grounds). Column 6B: List any other uses (e.g., farming). Enter "none" if there is no other use. Personal property leased to you should be listed in the answer to Line 3B.

### SECTION B - INVENTORY OF UNSOLD BURIAL SITES AND CRYPTS

Section B must be completed by all profit-making organizations (any claimant answering yes to question V) seeking the Cemetery Exemption. List the owner's inventory of unsold burial sites and crypts as of 12:01 a.m., January 1st. Include those acquired by the owner through trades of defaulted contracts as unsold.

- LINE 7** - Report cemetery plots in terms of acreage devoted to such use. Land developed as burial sites, which are either in use or being offered for both at-need and pre-need sales, is to be reported separately from land designated and offered only for pre-need sales. Show (1) the total acreage, (2) the acreage sold, and (3) the unsold acreage for each category. In Line 7A report "developed" plots located in operating units of the cemetery in which burial activity takes place. Limit acreage shown in 7B to plots in operating units of the cemetery which remain undeveloped or in a semi-developed state and in which no burial activity takes place. The total of the acreage reported in 7A and 7B should equal the total acreage on the first entry under Line 4A.
- LINE 8** - In Lines 8A and 8B, show (1) the total number of crypts or niches, (2) the number sold, and (3) the inventory on hand. Do not report preconstruction sales if construction had not commenced prior to the lien date (January 1st).

### ADDITIONAL INFORMATION

Upon request, the owner and the operator must furnish additional information to the Assessor. The Assessor may institute an audit or verification of the operations of the claimant.
